Page setup: Use **Microsoft Word** and 12-point Times New Roman as the base font; if either is not available, call the NCSL International office (303-440-3339) to discuss alternatives. Set all margins of letter-size paper to 25 mm (1 inch) In "File→Page→Setup→Layout" set the footer at 0.6". On the pages of the document, create the footer shown at the bottom of the page in 9-point italic Arial or a similar sans serif font.

Title and authors: Type title in capital and lower case letters in 14-point bold; center on page. After one line of space, type in the base font the word "Speaker:" and provide the speaker's name, company, complete mailing address, phone, fax, and e-mail. After another line of space, type "Author(s):" and list the name(s) of the author(s) and company affiliation (s). If the speaker and author are the same, only one entry is required: "Speaker/Author:" (The program will list only the speaker.)

Left justification is acceptable. Use single line spacing. Do not indent paragraphs; place a line of space between paragraphs. Use only one space between sentences. Use a single-column format.
