1317 Madison Wisconsin Section

Hosted By:
Covance Laboratories,
October 17, 2008.

The NCSLI Madison Wisconsin Section 1317 held its fall meeting on October 17, 2008. Hosted by Covance Laboratories in Madison Wisconsin, the attendees were treated to a continental breakfast and a full day of good information and fun.

The meeting was a success with 25 attendees from around the region. The meeting started with presentations of the updates on NCSLI April and August BOD meetings presented by Mike Boothe of Cal Lab Co., Inc.

Dave Baum National Technical Director and Rodger Lenhardt Marketing Director of Calibrate, Inc gave a presentation on "Pipette Calibration." A lively discussion followed on Pipette calibration techniques.

The next presentation was "Wisconsin Weights and Measures Laboratory new facility" presented by Jeff Houser and Richard McCann of Wisconsin Weights and Measures Laboratory in Madison, WI.

Mike Boothe of Cal Lab Co., Inc. lead a discussion on "Calibration Interval Adjustment."

Don Navis of Covance Laboratories lead a Roundtable Discussion on Drift/stability of Balances. Jeff Carlson of Northern Balance and Scale gave an informative presentation on Micro, Analytical & Top Loading Balances Weighing Principles, Practices and Problems!

We closed the meeting with a number of door prizes. Our next meeting will be in the spring of 2009.
